

ACKNOWLEDGMENTS

I share my sincere gratitude to University of Petroleum and Energy Studies, Dehradun for giving me an opportunity to carry out this research. I am highly indebted to Dr. S.J. Chopra, Chancellor and Dr. Hari Honwad Vice Chancellor for their words of wisdom and motivation. I am also thankful to Mr. Utpal Ghosh, President and CEO for his support and encouragement.

I thank Faculty Research Committee (FRC) for guiding me to do the research on the topic of my interest and providing continual support in terms of valuable suggestions for betterment of my thesis. It is with immense gratitude, that I acknowledge the support and help of Professor Dr. Anirban Sengupta, Director, (Centre for Management Development, UPES).

I would like to express the deepest appreciation to my internal guide, Dr. Neeraj Anand, who has the attitude and substance of a genius; he continuously and convincingly conveyed a spirit of excitement in regard to research. Without his guidance and persistent help this thesis would not have been possible. I would also like to thank my external guide, Dr. Ashutosh Karnataka for being a constant source of inspiration and guidance throughout my research process.

I fail to find appropriate words to express my gratitude to Dr. Tarun Dhingra for providing meaningful insights to qualitative research and extending help in qualitative data analysis. I also thank Dr. K. K. Pandey and Dr. S. K. Pokhriyal for their help and guidance throughout my research study. I owe my deepest gratefulness to Dr. Anjali Midha Sharan & Ms. Rakhi Ruhel for their continuous support for facilitating my research by helping out with a number of administrative issues.

I would like to express my gratitude to Mr. R. Velmurugan and Mr. S. B. Mitra for providing meaningful insights to qualitative research. I thank Mr. Amit Mathur, Mr. Achint Gupta and Mr. Gajendra Singh for their continuous support for facilitating my research.

I would also like to thank Mr. Shikhar Tiwari and Mr. Mohammad Arif for their continuous help in carrying out my research study by helping me out with a number of issues like data collection and guiding in quantitative data analysis. I am indebted to all my colleagues who provided their invaluable insights and comments about my research topic. I would like to share my credit of work with the managers of gas utility companies who shared their experiences through the focus group interview.

This acknowledgement will be incomplete without mentioning a deep sense of gratitude I have towards my mother Smt. Barfi Devi, Aunt Smt. Ramkali, mother-in-law Smt. Rajkumari and father-in-law, Shri Jagbansh Singh without whose blessings I could not have completed this research work.

Most importantly, none of this could have been possible without the love and patience of my family. My immediate family has been a constant source of love, concern, support and strength all these years. I would like to express my heartfelt gratitude to my wife Rita and beloved daughters Ms Shraddha and Ms Shreya, who have always stood by me and dealt with all my absence from my family occasions with a smile.

Dehradun, 28th Feb, 2016

Narendra Kumar
