Executive Summary x

Chapter 1 1

1.0 Introduction 1

1.2 Research Objective 6

1.3 Research Methodology 7

1.4 Chapter Scheme 9

Chapter 2 12

2.0 Eminent Domain – Historical Perspective 12

2.1 Genealogies of Property 12

Chapter 3 16

3.0 Eminent Domain in the Modern Age 16

3.1 Allodial Title vs. Feudal Title 16

3.2 Eminent Domain- Contemporary perspectives 17

Chapter 4 22

4.0 LARR 2013 and Land Acquisition conflicts in India 22

4.1 The Context of its Introduction 22

4.2 Land Acquisition Amendment Bill, 2015 23

4.3 LARR 2013 Fails to meet the Expectation 27

4.4 Land Acquisition affecting Business 28

4.5 The War continues 30

Figures 4.3: Protest site in Chiru Barwadih Village, Hazaribagh, Jharkhand State of India 31

4.6 Business Problem 33

Chapter 5.....34
5.0 Literature Review- Eminent Domain.....34
5.1 Historical Background and Literature Review on Eminent Domain.....34
5.2 Public purpose:.....35
5.3 Fair Compensation:.....38
5.4 Political decision making process:.....43
5.5 Rehabilitation Issue.....44
5.6 Central Issue- Just Compensation.....46
Chapter -6.....50
6.0 Literature Review-Valuation of Land.....50
6.1 Valuation Methodology.....50
6.2 Land Valuation Theories.....57
6.3 Fair Market Value.....67
6.4 Thick Market.....68
6.5 Thin market.....68
Chapter-7.....70
7.0 Research Flow.....70
7.1 Research Gap.....70
7.2 Research Problem.....72
7.3 Research Questions.....73
7.4 Research Objective.....73
Chapter 8.....77
8.0 To identify factors which determine the agricultural land price in a free market sale.....77
8.1 Literature Review.....77
8.2. Data Collections.....96
8.3 Interpreting Output for Factor Analysis.....98
8.4 Factors Identified.....110
8.5 Factor Interpretations.....111
8.6 Test of Reliability.....116
8.7 Summary of Findings.....119
8.8 Identification of observable and measurable parameters which can objectively quantify the identified factors.....119

Chapter 9.....124

9.0 To build a model of fair market value computation to pay compensation in a thin land market of India.....124

9.1 Indian context 124

9.2 Literature Review- Land Valuation Models.....124

9.3 Building land valuation model which may be used to pay just compensation in a thin land market 126

9.4 Testing linearity for multiple linear regression analysis 133

9.7 Quantitative and qualitative validation of the model to test its applicability in Indian context. 143

Chapter 10.....150

10.0 Findings & Conclusions.....150

10.1 Findings 150

10.2 Recommendations 152

10.3 Contribution to Literature.....153

10.4 Limitations.....155

10.5 Scope of Further Research 155

10.6 Conclusion.....156

Annexure.....157

Annexure-4.1 to 4.6 170

Works Cited.....197
