Table	Description	Page No
Table 1.1	Estimation of Technically Recoverable Shale Gas Resources in the World.	5
Table 1.2	Shale Gas Reserves in the World.	6
Table 2.1	Flow Regimes based on Knudsen Number.	29
Table 3.1	Parameters used for determining the gas flow in the matrix.	43
Table 6.1	Summary of Reservoir Parameters	70
Table 7.1	Classification of Shale Reservoir Parameters in the Simulation Model and their Ranges for Sensitivity Analysis.	73
