Design a questionnaire using different types of questions (open ended, close-ended, multiple choice, rating scale etc).	[10]	CO4
Q 12	KK Sweets is one of the famous sweet shops of Dehradun, operating since 1960. KK sweets has been synonymous to excellent quality sweets in Dehradun and suburbs. Recently, KK Sweets is concerned due to declining market share and low sales. KK sweets is facing tough competition from well-established chain players such as Nathu Sweets, Gulab Sweets, Bikanerwala. Besides this, some locally grown players are also doing well in their native areas and offering good quality products to customers at almost similar prices. Customers are also preferring packaged sweets like Haldiram's, Bikano and similar others. In this alarming situation, KK Sweets is looking for some concrete marketing plan for defending the market share and retaining existing customers. Suggest some marketing strategies (related to 4Ps, social media, Customer relationship management) for KK Sweets for handling these issues.	[20]	CO5
