

LIST OF FIGURES

Figure 1-1: Energy mix for electricity generation in India	4
Figure 1-2: Components of Greenhouse Gas emissions	5
Figure 1-3 World's Final energy consumption through different sources of energy from 2009-2011	7
Figure 1-4: Renewable Energy Sources (RES).....	8
Figure 1-5 India Solar Resource Map.....	12
Figure 1-6 Different types of technologies for converting solar energy to electricity and heat	13
Figure 1-7 World annual growth for Renewable Energy Capacity.....	14
Figure 2-1 Snapshot for different initiatives by Central and State Government..	33
Figure 2-2 Snapshot of the objectives of JNNSM 2010	37
Flow chart 3-1: Sequential Explanatory Mixed Method Design for the current study.....	65
Figure 3-2 Sample distribution	67
Figure 3-3 Scree Plot showing the Eigenvalue for 9 factors.....	73
Figure 3-4 Process of Coding through Atlas.ti	80
Figure 3-5 Scree plot.....	91
Figure 4-1 Dimensions to Financial Barrier in State of Gujarat and Rajasthan.	105
Figure 4-2 Dimensions to Policy and Political Barrier in State of Gujarat and Rajasthan.....	110
Figure 4-3 Dimensions to Institutional Barrier in State of Gujarat and Rajasthan	114
Figure 4-4 Dimensions to Land Information and Land Acquisition Challenges in State of Gujarat and Rajasthan.....	120
Figure 4-5 Dimensions to Administrative Challenges in State of Gujarat and Rajasthan.....	122
Figure 4-6 Value Chain of Solar Photovoltaic (PV)	124
Figure 4-7 Dimensions to Market and Technology Barrier in State of Gujarat and Rajasthan.....	127
Figure 4-8 Dimensions to Development Cost Barrier in State of Gujarat and Rajasthan.....	129
Figure 5-1 District map of Gujarat.....	132
Figure 5-2 Gujarat Power Sector structure	134
Figure 5-3 RPO Solar for Rajasthan for the year 2010, 2011 and 2012.....	139
Figure 5-4 Associative network of outcomes on Financial Barrier in State of Gujarat	149

Figure 5-5 Associative network of outcomes on Policy and Political Barriers in State of Gujarat	157
Figure 5-6 Associative network of outcomes on Institutional Barriers in State of Gujarat	160
Figure 5-7 Associative network of outcomes on Land Information Challenges in State of Gujarat	166
Figure 5-8 Associative network of outcomes on Land Acquisition Challenges in State of Gujarat	172
Figure 5-9 Associative network of outcomes on Administrative Challenges in State of Gujarat	175
Figure 5-10 Associative network of outcomes on Regulatory Barriers in State of Gujarat	177
Figure 5-11 Associative network of outcomes on Market and Technology Barriers in State of Gujarat	182
Figure 5-12 Associative network of outcomes on Development Cost Barriers in State of Gujarat	184
Figure 5-13 Results of Gujarat Case Study.....	186
Figure 6-1 District map of Rajasthan.....	189
Figure 6-2 Rajasthan Power Sector structure.....	191
Figure 6-3 Contribution of different sectors in power generation <i>Source: CEA</i>	193
Figure 6-4 Capacity (MW) to be installed under Rajasthan Solar Policy.....	194
Figure 6-5 RPO Solar for Rajasthan for year 2011, 2012 and 2013.....	197
Figure 6-6 Associative network of outcomes on Financial Barriers in State of Rajasthan.....	206
Figure 6-7 Associative network of outcomes on Policy and Political Barriers in State of Rajasthan	211
Figure 6-8 Associative network of outcomes on Institutional Barriers in State of Rajasthan.....	214
Figure 6-9 Associative network of outcomes on Land Information Challenges in State of Rajasthan	218
Figure 6-10 Associative network of outcomes on Land Acquisition Challenges in State of Rajasthan	223
Figure 6-11 Associative network of outcomes on Administration Challenges in State of Rajasthan	226
Figure 6-12 Associative network of outcomes on Regulatory Barriers in State of Rajasthan.....	229

Figure 6-13 Associative network of outcomes on Market and Technology Barriers in State of Rajasthan	234
Figure 6-14 Associative network of outcomes on Development Cost Barriers in State of Rajasthan	236
Figure 6-15 Results of Gujarat Case Study.....	237
Figure 7-1 Cross Case Findings on Financial Barrier.....	246
Figure 7-2 Cross Case Findings on Policy and Political Barrier	249
Figure 7-3 Cross Case Findings on Institutional Barrier	251
Figure 7-4 Cross Case Findings on Land Information Challenges	253
Figure 7-5 Cross Case Findings on Land Acquisition Challenges	255
Figure 7-6 Cross Case Findings on Administrative Challenges	258
Figure 7-7 Cross Case Findings on Regulatory Barrier	261
Figure 7-8 Cross Case Findings on Market and Technology Barrier	264
Figure 7-9 Cross Case Findings on Development Cost Barrier.....	266
Figure 8-1 Identified Barrier and Challenges to grid connected solar PV power plants in India.....	269
