

## **ACKNOWLEDGEMENT**

*It gives me great pleasure to thank all the persons who helped and supported me in one way or the other for the completion of this research work.*

*At the very first, I would like to express my sincere gratitude to my supervisors, **Dr. Devajit Hazarika**, Scientist 'D', Geophysics Group and **Dr. Vikram Gupta**, Scientist 'E', Geomorphology and Environmental Geology Group, Wadia Institute of Himalayan Geology (WIHG), Dehradun. I am deeply indebted for their kind support, guidance, suggestions, persistence in high quality results, and making my Ph.D. experience productive and stimulating. As mentors, they not only directed me to the path of a solution but their constructive criticism always improved my work.*

*I am also thankful to my internal supervisor **Dr. Mandira Agarwal**, Senior Associate Professor, Department of Petroleum Engineering and Earth Sciences, University of Petroleum and Energy Studies (UPES), Dehradun for her guidance, encouragement and providing a professional environment during the tenure of my research work.*

*I extend my sincere thanks to Prof Anil K. Gupta, Director, WIHG for providing me with the necessary facilities and also with the required infrastructure to conduct my research work in WIHG, Dehradun.*

*I am grateful to **Norwegian Seismic Array (NORSAR) Institute, Embassy of Norway, Norway** for financial assistance in the form of project fellowship in a research project entitled "**Earthquake Hazard and Risk Reduction in the Himalaya-II**" (RRSIC-II).*

*I am extremely thankful to CCE, University of Petroleum and Energy Studies for their support all the way through to the completion of my thesis. The members of Academic Research Advisory Committee (ARAC), WIHG and Faculty Research Committee (FRC), UPES given me valuable scientific inputs in various stages of my PhD.*

*I would also like to express my sincere gratitude to Drs. Kajaljoyti Borah (IISER-Kolkata), Naresh Kumar, Dilip Kumar Yadav, Dominik Lang (NORSAR, Norway), Koushik Sen, Pardeep Srivastva and A. K. Mahajan for all their suggestions and encouragement during this work and for creating an efficient*

*support system for me to survive and thrive in academic research. I was lucky to be surrounded by such researchers who continuously provided their valuable inputs which helped me significantly during the course of my research.*

*The Registrar, FAO and many people from administration section, publication section, library, thin section preparation unit and core cutting unit of Wadia Institute were helpful enough to co-operate me throughout my stay in WIHG. Special thanks to all our security personnel for accompanying me to safely reach my rented house at late nights during my busiest last stages of thesis writing.*

*I am indebted to many of my friends, colleagues and well-wishers, to name a few of them, Swakangkha Ghosh, Reetam Chaudhury, Rakesh Gosain, Dhamodharan Sacrates, Arpita Paul, Arun Prasath, Meena Bankhwal, Somak Hazra, Dr. Vandana Ghanghas, Dr. Rohtash Kumar, Dr. Sandeep Arora, , Dr. Sanjay Negi, Manju Negi, Vinay Kumar Dwivedi, Meenakashi Devi, Divya Thakur, Bisma Qazi, Purbajyoti Phukan, Sachin, Vaishali, Sanjay and my seniors, Drs. Parveen Saini, Vishal Chauhan, Anil Kumar, Paramjeet Singh, Rakesh Bhambri and Vikas Adlakha for their sincere support and encouragement throughout my stay at WIHG and also for providing me with a exciting and fun-filled environment.*

*I would like to thank my father, Sh. **SatPaul Wadhawan**, mother, Smt. **Promila Wadhawan**, sisters, **Rinku Dhawan**, **Rajni Taneja** and my younger brother **Nitish Wadhawan** for their constant love and moral support.*

*Finally, I take this opportunity to thank all those unnamed individuals participated in various ways knowingly or unknowingly to complete this task successfully.*
