Table 2.1	Research Theme and Research Gap	44
Table 3.1	Sample Size for 5% and 10% Precision Levels	68
Table 4.1	KMO Table	72
Table 4.2	Reliability Statistics- Cronbach's Alpha	73
Table 4.3	KMO and Bartlett's Test for Contract Award Components	73
Table 4.4	Communality	74
Table 4.5	Total Variance Explained for Contract Award Factors	77
Table 4.6	Rotated component Matric for Contract Award Factors	78
Table 4.7	Total Variance Explained after Rotation	79
Table 4.8	KMO and Bartlett's Test for Project performance Components	85
Table 4.9	Communalities for Project Performance Components	86
Table 4.10	Total Variance Explained for Project Performance Component	89
Table 4.11	Model Summery for Regression of Contract Award Components on Project Performance Index	98
Table 4.12	ANOVA for Contact Award Components on PPI	98
Table 4.13	Beta Value, F-statistic, p-value Coefficients for Contact Award Components on PPI	99
Table 4.14	Model Summery for Regression of Project Performance Components on Contract Award Index	102
Table 4.15	ANOVA for Project Performance Components on Contract Award Index	102
Table 4.16	Beta Value, F-statistic, p-value Coefficients for Project Performance Components on Contract Award Index	103
