

ACKNOWLEDGEMENT

I would like to express my sincere gratitude to Dr. Suresh Kumar Puri, Chief General Manager and Dr. Deepak Kumar Tuli, former Executive Director and Centre Coordinator, DBT-IOC Centre for Advanced Bioenergy Research Centre (BERC), Faridabad for providing me the opportunity to conduct my research at Bioenergy Research Centre Faridabad. I am deeply indebted to my PhD supervisor, Dr. Ravindra Kumar, Chief Research Manager (Ph.D. Supervisor), Mr. Ravi Prakash Gupta (H.O.D), Dr. Biswajit Basu and Dr. Bhawna Yadav Lamba (Ph.D. Co-Supervisor), Sr. Associate Professor, Department of Chemistry, University of Petroleum and Energy Studies (UPES), Dehradun for their invaluable guidance, support, motivation and encouragement. I am also thankful to Indo-US Science and Technology Forum (IUSTF) for prestigious B-ACER award to work with Dr. Blake Simmons, Chief Scientific and Technology Officer, Vice President and Dr. Seema Singh, Director, Biomass Pretreatment at JBEI, LBNL, DOE, Emeryville, California, USA.

It was a great learning experience while working with Dr. Ruchi Gaur, Dr. Surbhi Semwal, Dr. Manali K. Kapoor, Dr. Ruchi Agrawal. I am also thankful to my lab mates Dilip, Shveta Soam, Nisha, Pooja, V P Singh, Chandra Sekhar and also my friends Ms. Namrata Verma, Ms. Parminder Kaur, Dr. Tarak Mondol, Dr. Sacchit Majhi, Mr. Maninder Singh, Mr. Priyank Mohan, Ms. Poonam Sharma and Ms. Neha Sharma for providing a friendly, cooperative atmosphere besides their useful feedback during the course of this work.

This acknowledgement is incomplete without the mention of my mom and Daddy, my brothers Haushila Prasad and Shiv Ram for their inspiring talks and their unconditional help.

Lastly, I would thank God for giving me the strength during whole duration and wisdom to complete this task.

Tirath Raj
