

## ACKNOWLEDGEMENT

"God wove a wave of loneliness of clouds, stars and birds but made nothing at all as beautiful as words to record the gratefulness for someone, which is duty as well as pleasure"

It is with great pleasure to express my deep sense of gratitude to my guide **Dr. Rajesh Yadav** and **Dr. Ugur Guven**, Professors at University of Petroleum and Studies, whose esteemed guidance, immense involvement ideas and constant encouragement enable me to accomplish this thesis with zest and zeal.

I acknowledge **Mr. Vijay Patidar**, **Mr. Karthik Sundarraaj**, **Mr. Ramesh Repaka** and my colleagues in our department at UPES for their support and well wishes during this project.

I sincerely wish to thank **Dr. R. C. Mehta**, Formerly Head, Aerodynamics R&D Division, VSSC, Trivandrum, for suggestions and encouragement during the course of this work.

Words are not enough to express my indebt regards to Chancellor of the University **Dr. S. J Chopra**, Vice-Chancellor **Dr. Srihari** and Dean-College of Engineering **Dr. Kamal Bansal** for continuous encouragement and supported me during the entire thesis work.

My thanks are due to my beloved **Father** without whose blessing it would not have been possible to complete this task. I acknowledge the efforts made by my **Wife, Daughter and Son** to help me in completing my work in time.

Finally, I thank my God, my father, for letting me through all the difficulties and helped me to overcome troubles in my life.
