

ACKNOWLEDGEMENTS

I would like to thank my internal guides Dr. S. K. Pokhriyal and Dr. Geo Jos Fernandez who guided me at every step during my PhD journey. I am also thankful to my external guide Dr. D. C. Patra for his support. I would also like to thank Dr. Tarun Dhingra and Dr. Joji Rao for their valuable suggestions. I am thankful to Dr. Anjali Midha and Ms. Rakhi Ruhel for their assistance. I am grateful to Dr. Ankur Rastogi for help for transport during my residency stays at Dehradun. I am also grateful to Maj. Gen. (Dr.) S.P.S. Narang for review of the thesis.

I owe deep gratitude to my mother Sandhya Das for her support and blessings. I am also indebted to my wife Shampa Das, son Sujoy Das and daughter Sushmita Das for their support.
